

Educational Luncheon Meeting

Topic: Asphalt Construction – Issues and Remedies

The Suburban and Southwest branches are welcoming Tim Murphy, of Murphy Pave Tech, to discuss asphalt construction issues and remedies. Just in time for construction season! Tim will discuss the Asphalt D.R.I.L.L.:

- **D**ive into minutiae,
- **R**ecognize opportunities,
- **I**dentify action items,
- **L**earn from others,
- **L**ead from learning!

Email your questions to Tim in advance to get a personalized, real-time learning experience! Send your issue or question, along with a photo, to tmurphy@murphypavetech.com. Tim will incorporate your issue into the presentation with advice for you to use right away this year!

In conjunction with Tim's presentation, Abdul Dahhan of Chicago Testing Lab will discuss the new crack testing equipment available in Illinois.

Date: Thursday, March 23rd, 2017
