Event Held Rain or Shine at Course's Discretion - No Refunds

2018 Event Hole Sponsorship Opportunities

Your Golf Committee would like to thank you for your consideration and support of The Chicago Metro Chapter Golf Outing. We attended the Chapter Retreat last November and received our marching orders. We have two major goals for the Outing as the committee prepares the day's activities. Number one is to provide revenue for our scholarship fund which is the main goal of our association. The second, and more important to everyone, is to have "FUN"! We will have many awesome prize giveaways and provide beverage tickets throughout the day to keep things loose.

We have added another sponsorship opportunity called The Event Hole Sponsor. This will give interested parties an opportunity to have a canopy and tables on a specific hole and market your company while providing a game or activity. We are asking for a variety of sponsorship amounts and have some suggestions for games you can consider. If you have something unique and would like to suggest it then contact Frank Tripicchio at frtripicchio@cbbel.com and he will work with you on the details. The goal once again is to have fun, but we do need to keep the golf moving so time will be a factor. Our expectation is for you, as The Event Hole Sponsor, to collect a fee from each participant and return those funds to the Golf Committee for the scholarship. We will try to keep the donation to \$5.00 or \$20.00 for the foursome. Below are some of the games yet available and as described earlier, we are open to additional suggestions.

-  **Beat the Schmoie, \$500.00** - Hole 18 has been taken by Peralte-Clark but two of the remaining par three's are available. We would ask you to have a couple rep's there and charge the \$5.00 per participant fee for this.
-  **Pitch into the Bucket, \$300.00** - This will be set up on Hole #10 in the tee box area. This would be a \$5.00 per participant donation.
-  **Compressed Air Launcher, \$500.00** - We have two potential sponsors for this event so it is not available at this time. It will be a \$5.00 per participant fee.
-  **Land your Ball in the Boat, \$400.00** - This will be set up just off the tee box on Hole #11. Land your ball and keep it in the boat and you're in the drawing. Old balls will be provided and each individual will get three attempts. This will be a \$5.00 per participant fee.
-  **Hit your Shot within a 20' Diameter Circle, \$300.00** - This can be done on a remaining par three if available or perhaps a second shot on a par four. The second shot will take some coordination but that's up to the Sponsor. We would charge \$5.00 for each participant.
-  **Long Drive (from a Long Drive Pro), \$700.00** - This will be on a par four where the Pro can drive the green on a par five where your group can hit the green in two on your second shot and try for the eagle. We may have to up the participant fee on this to cover the fee for the pro so more to follow on this one.

As we said in the beginning, we are open to additional suggestions so just let Frank know and we will see if we can work it out. As clarification, each winner such as "**Hit your Shot within a 20' Diameter Circle**" will win a nice prize supplied by The Golf Committee. For the "**Land your Ball in the Boat**" and "**Beat the Schmoie**," if there are multiple winners the names will be placed in a hat and a drawing will determine the winner.

The Golf Committee would like to thank you for your consideration and participation in this event. It is firms like yours that make these events possible and provide the foundation for a fun and relaxing day with colleagues and friends. We hope to see you on June 28th at beautiful Bartlett Hills Golf Club.
