

Dear Valued Supporter of the Fox Valley Branch:

The 40th Anniversary of the Fox Valley Branch of the American Public Works Association will be celebrated this summer on **Thursday, July 12th**. To mark this momentous occasion, we are planning an evening event that will include a cocktail hour, dinner, and entertainment. Our history will be honored and we are reaching out to our past presidents in hopes they can attend. The evening will be at the Lincoln Inn in Batavia, Illinois which is the site of the very first Fox Valley Branch meeting.

The Fox Valley Branch plays a very active role in the Chicago Metro Chapter of APWA. Our members have initiated educational programs that are successful training methods for front line workers through public works directors. Many of our executive committee members have gone on to be involved at the Chapter and National levels. We have nationally recognized Top Ten Leaders in Public Works. Our national Projects of the Year celebrate the achievements of our great consultants and contractors. There are many reasons to celebrate our past and our future with us.

At this time, we are looking for sponsors for the event. We will be honoring all of our sponsors on our website, at the event, and in the event literature. All sponsors will receive tickets to the event. Sponsors have the option to donate back the event tickets and assist in sponsoring our past presidents as well. Many of them are retired and we would like to offer them tickets at a lower cost. Any sponsor that donates back tickets will also be listed as a presidential sponsor.

The sponsorship form is attached for your consideration, we hope that you will be joining us on the 12th to celebrate and at all of our events this year too!

Individual ticket sales will commence in May 2018. Become a sponsor beforehand to be recognized in that literature.

Sincerely,

Jenn Anderson
2016 President and 40th Anniversary Committee Member
