Carl & Networking: Kind of a Big Deal

Carl Schoedel | Kane County Division of Transportation

Mr. Schoedel has dedicated more than 30 years to public service. He has served the Kane County Division of Transportation since 1997 and was appointed Director of Transportation in February 2005. He oversees a significant capital improvement program in a high-growth metropolitan County. He has extensive experience in regional transportation planning, highway engineering, and public utility management. Carl is active in a number of industry groups and has earned recognition as a Top Ten Public Works Leaders of the Year from APWA and the 2017 Urban County Engineer of the Year Award by the National Association of County Engineers, in addition to many other impressive awards. Throughout his long career he has had the opportunity to meet and often befriend a wide variety of people from all aspects of the Public Works profession and beyond. Carl will highlight his networking-related "life lessons"

from several of the chapters in his professional life. These valuable insights and experiences will serve as a benefit to our Scholarship Recipients as well as our current APWA professionals.
