

**Purpose** The APWA International Service Award recognizes an APWA member who has furthered the cause of international partnership and cooperation by becoming actively involved in establishing a relationship with a public works entity from another country, or has provided outstanding public works service on an international basis.

**Eligibility** Candidates must be a APWA member in good standing.

- Criteria**
1. Provide a demonstrated record of international public works or related service (volunteer, paid, or a combination) outside the United States and Canada that fosters the exchange of innovation, education or public service within the realm of public works.
  2. Demonstrate a commitment to building international relationships and fostering international partnerships of public works service.
  3. Exhibit a record of committed service over a significant period of one's professional career or by service provided to a singular event or project.

**Selection** The Awards Committee reviews the nominations and selects the award winner.

**Nomination Process** Nominations can be made by APWA chapters or members of APWA, Submittals should include nomination form and supporting documentation.

**Deadline** March 1, 2022 (electronic submittals only)

**Presentation** The award winner is presented with a plaque at the Awards Recognition Ceremony during PWX and featured in APWA publications.
