

January 31, 2019

Dear Members,

We are now one month into 2019 and what a way to start things off! From many conversations, it is apparent to me that everyone is busy planning, designing, coordinating and negotiating the projects that will make 2019 a year to remember. As we start to thaw from near-record frigid temperatures, I wanted to take a moment to reach out to the membership of the Suburban Branch. It is an honor to be writing to you as the incoming Branch President! I truly am humbled and grateful to be included amongst such a distinguished list of APWA Suburban Branch Presidents.

I especially would like to thank Past-President Jeremie Lukowicz. The Branch had an incredible 2018 under his leadership and he has set an incredibly high bar for me to reach in 2019!

On November 20, 2018, at our Winter General Membership Meeting, the following slate of officers was nominated and approved:

|                      |   |
|----------------------|---|
| President:           | Chris Olcott, Hampton Lenzini and Renwick |
| Vice-President:      | Mike Waldron, Strand Associates           |
| Secretary:           | Kristin Mehl, Village of Schaumburg       |
| Treasurer:           | Jeff Maczko, Village of Elk Grove Village |
| Assistant Treasurer: | Matt Moffitt, Baxter & Woodman            |

Along with our talented Executive Board, we have an excellent team of Committee Chairs and Liaisons ready to help achieve our goals and objectives. This team will plan and hold Branch events and programs throughout the year. You can visit the Suburban Branch webpage to see our proposed schedule of events (<http://chicago.apwa.net/PageDetails/2278>). If you are looking to become more involved with the Suburban Branch, please notify me or any of our Officers or Chairs.

Thank you to the membership of the Suburban Branch for giving me this opportunity to serve as your next Branch President, and I look forward to seeing you at an event soon!

Sincerely,

Chris Olcott  
President, APWA Suburban Branch  
Project Manager, Hampton, Lenzini and Renwick, Inc.
