

MYRON CALKINS YOUNG LEADER OF THE YEAR AWARD

Purpose To recognize and encourage young APWA members who have demonstrated an initial commitment to the profession and the association and show potential for future growth within the association. The award promotes the concept that length of career does not necessarily indicate leadership abilities or potential for service.

Background Myron Calkins served as APWA President in 1970-71 and was elected Chapter President of both the Washington State and Kansas City Metro Chapters. In addition to serving as National President, Calkins served as President of the Public Works Historical Society, chaired the Awards Review Committee and served on the Editorial Advisory Board for the *APWA Reporter*. He received the Presidential Leadership Award in 2007.

Eligibility Candidates must be active members of APWA for five consecutive years and not exceed 35 years of age as of the deadline of the award submittal. Please include candidate's birth date in nomination materials. The candidates must have demonstrated an ability and eagerness to act at the chapter or branch level and/or national by serving on committees, as an officer, heading projects, participating in programs or contributing in general to the well-being of the chapter.

The candidate also should have accomplished one or more of the following:

- Contributed in some significant manner to his/her public agency or company by implementing new ideas, overcoming problems, controlling costs, etc.
- Helped to advance the cause of the public works profession either with leadership commitments to significant community projects or as an advocate for public works issues at the legislative level in local, state, or federal governments
- Demonstrated an ongoing commitment to continuing education in the public works field (i.e., related educational degree(s), attendance at workshops, seminars, or CEU credits, etc.)
- Demonstrated an ongoing commitment to advancing sustainability within the profession

Selection The Award Committee reviews the nominations and selects the winner(s)

Nomination Process Nominations may be made by a chapter, APWA entity, or individual APWA members. Submittal should include nomination form and supporting documentation that clearly addresses the eligibility requirements and candidate's professional work, community contributions, personal awards and education.

Deadline March 1, 2018 (electronic submittals only)

Presentation Winners will receive a check for \$500 and presented with a plaque at the Awards Recognition Ceremony during PWX and featured in APWA Publications.
