

FIRM OVERVIEW

Founded in 1946, Baxter & Woodman, Inc. provides consulting engineering and technology services to municipalities, state agencies, county governments, and sanitary districts throughout Illinois, Wisconsin, Florida, and Texas. Dedicated to promoting a sustainable future, our staff of more than 350 talented engineers, surveyors, technicians, and support personnel incorporates innovative techniques along with tried and true processes.

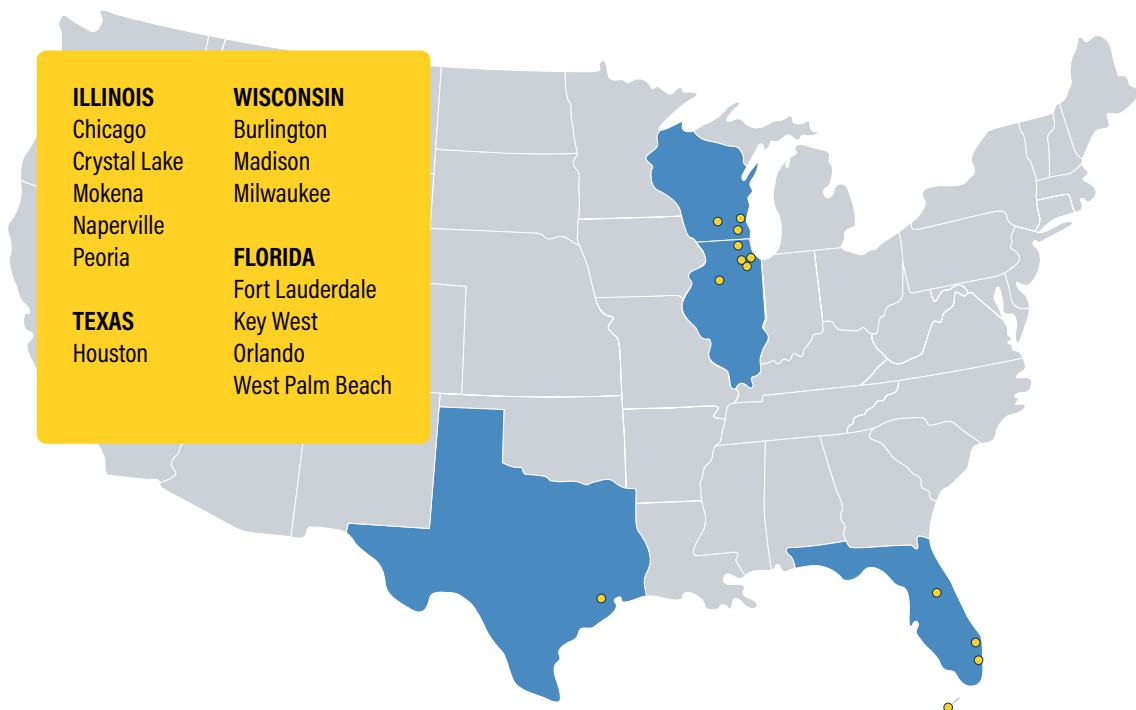

Baxter & Woodman provides planning, design, construction and technology services for water, wastewater, stormwater and transportation facilities for municipalities, counties and state agencies and more. Environmental, geographic information systems (GIS), water and wastewater operations, and advanced technology needs complement the firm's civil engineering expertise. The company has several subsidiaries including ones focused on Natural Resources, Municipal Technology, and Design-Build project delivery.

Baxter & Woodman has climbed to **#267** on the Engineering News Record list of Top Design Firms in the Country!

Regional Offices

Baxter & Woodman's 13 regional offices provide our clients with local presence and responsive service. Our team offers services that stretch well beyond typical engineering consulting. We are committed to building community value with each and every project we complete.

DIVERSE IN-HOUSE SERVICES

Baxter & Woodman's staff of 350+ professionals have provided engineering services to more than 500 communities, counties, and sanitary districts during our 77 years of business.

The strength of the Baxter & Woodman team comes from the cohesive and cooperative work effort gained from having expertise in numerous disciplines. We offer a **full range of municipal services** from project inception to construction close-out. All necessary engineering services are provided in-house with the exception of geotechnical engineering.

Baxter & Woodman Highlights

An integral part of Baxter & Woodman's history, firm founders Richard Baxter & Lorrin Woodman instilled the values of hard work, perseverance, and integrity into the fabric of the company. That legacy lives on here today.
